br>Publisher:<!--BEGIN-OF-PUBLISHER--><!--END-OF-PUBLISHER--><!--END-OF-FILE-LIST--></div>Multilaw has released the 'International FinTech Guide' which presents the legal and economic conditions for FinTech businesses across more than 20 different countries. Our Banking & finance team authored the Romania chapter providing an overview of the legal requirements and barriers with respect to Virtual Currencies, ICOs, RegTech, InsurTech, Robo-Advisory, Online Banking and Crowdfunding. chapter presents a quick introduction and a legal and economic overview for every participating country showing whether the business area is regulated, whether a licence is needed and how hard the legal compliance and the economic competition is considered in the respective jurisdiction. The overview is followed by a more in-depth description for every country.
